

## TSCA Declaration

In early 2021, the EPA announced changes to the Toxic Substances Control Abuse (TSCA). We have determined that these changes do not affect any of the brands we sell (Dormer, Pramet, Precision, Union Butterfield) and that none of our products contain any of the new substances restricted by the EPA (PIP 3;1, DecaBDE, 2,4,6 TTBP, HCBd, PCTP).
